

NOTES:

1. The product housing is made from cultured marble.
2. The dimensions are nominal being that the product is made from a casting.
3. Casting contains Chicago Faucets Model 404-HZ665ABCP Spout Assembly as integral unit with Vandal Proof Metering Push Handle Valve Bodies installed separately.
4. Back of unit is custom cast to fit your application. When ordering, provide lavatory model, detailed drawing of installation, or call for design options.
5. Use faucet instruction sheet for proper installation.
